<https://tylerkennedy572.github.io/tylerkennedy572/>

WordPress Web Developer with a Diploma in Digital Design and a focus on creating responsive, engaging websites.

Skilled in front-end development using HTML, CSS, and JavaScript, supplemented by knowledge of modern frameworks. Experienced in multiple CMS platforms, including Shopify and Squarespace.

My background has instilled strong professional attributes, including communication skills and the ability to efficiently multitask and manage priorities, essential for successful project delivery.
